

KODAK PHOTOLIFE Ni-MH Rechargeable Batteries

Specially Developed for Digital Cameras

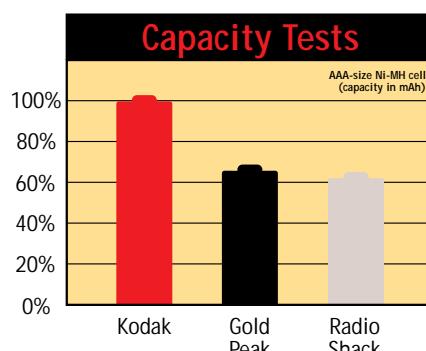

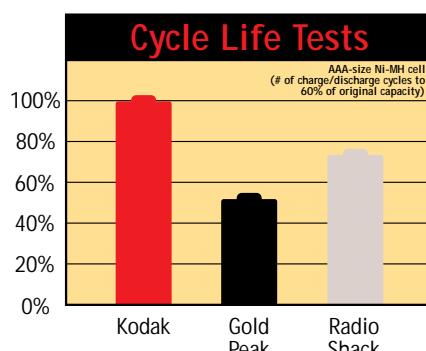

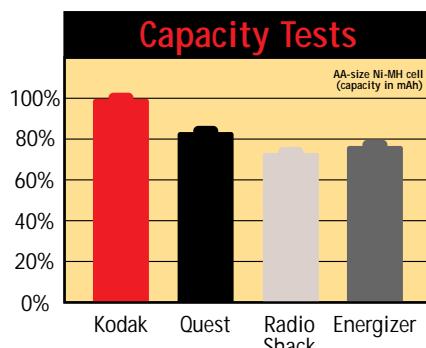

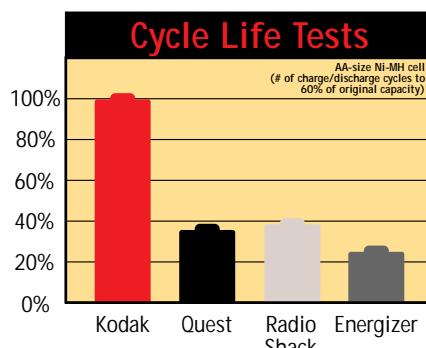

For the high-rate power demands of today's electronics—digital cameras, hand-held games, and other frequent-use electronic devices—both our AA and AAA rechargeable Ni-MH batteries give you the power and longevity you're looking for in a rechargeable battery.

KODAK PHOTOLIFE Ni-MH Rechargeable Batteries:

- Last up to twice as long as standard Ni-Cd batteries*
- Deliver superior capacity
- Quick-charge capable
- No memory effect
- Provide up to 800 charge/discharge cycles
- Fit any AA/AAA-powered devices
- Excellent cold-weather performance

*based on rated mAh capacity

Our Batteries Pack More Power

In head-to-head testing against competitors, KODAK PHOTOLIFE Ni-MH Rechargeable Batteries are number one in rated capacity and measured charge/discharge cycle life.*

*1999 internal Kodak tests
